“IRINA” – The Lover Blue of cow’s milk refined with black cherry and pink pepper

This cheese is part of the family history of Pinetta and Pino, who was betrayed by his “wife” with Saverio (the other one is blue). Pino thought he was a passionate and sweet lover, with the name “Soviet”... this lover with a changing personality, the sweet character is intensely represented by the sour cherry, the spicy side by the pink pepper and the medium sweet and spicy blue colour only confirms the characteristics of the personality of this Irina.

Funny story, but to make this cheese took many months of study and careful evaluation, just to be able to make a cheese with the characteristics we wanted ... we have succeeded, but to be honest, we have exceeded expectations! Now we just have to taste it.

The rind is edible, in fact, it must be eaten with the respective sour cherries and pink pepper.

Cheese to be enjoyed at the end of a meal, if you like, instead of dessert or in any case for meditation.

In 2017, at the national competition INFINITI BLU of Gorgonzola, he obtained the prestigious recognition of Quality.
