

“La Regina” – The Queen two milk cheese

Cod.: 11101

This cheese is a “two-milk” cheese, we use sheep and cow milk together. The rind carries interesting scents due to the white bloomy layer. Just like a queen it is elegant, very delicate, yet rich in aromas. It is easily appreciated by everyone just like a real Queen is loved by her people. Best served at room temperature to fully perceive its characteristics and not cold from the fridge. Once you start eating it you cannot stop finish it.
